LONDON

THE COMMITTEE ROOM

Located on the first floor, The Committee Room is steeped in history. It features an original fireplace, a vaulted hand plastered ceiling and a Royal Doulton terracotta plaque carved in 1903. The formality of the oak panelled walls is wonderfully offset by the large, playful peacock painting, the Lalique bird lights and the bespoke furnishings.

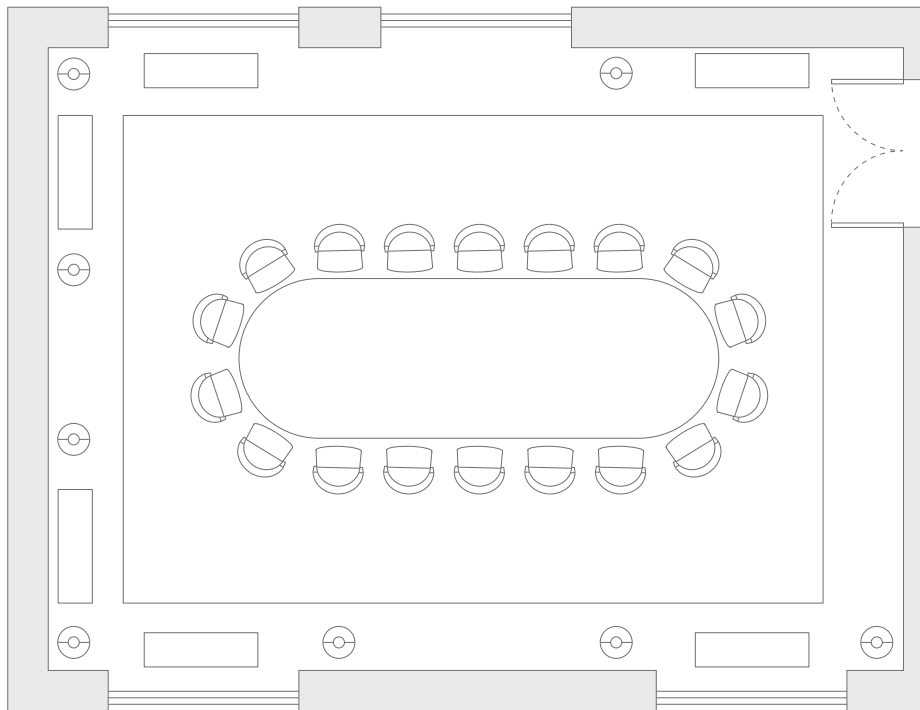

Size: 76 sqm

Capacity:

Boardroom style – 26 attendees

Cocktail reception – 50 attendees

Please note, it is a fixed table therefore only one style of event.
